

I YOU WE ONE

Good Medicine Directory

mind, body, planet, spirit

Mission:

- To make Good Medicine easily accessible to our local and global communities, and facilitate the emergence of new healthcare models.
- To create a central resource listing for connecting Good Medicine practitioners with each other and with the communities we are serving
- To establish an impeccable standard of excellence within the emerging field of integrative health care.
- To create a central resource for communication within our community that engenders alliances and maximizes our resources.
- To foster the creation and dissemination of the New Earth Medicine.

I YOU WE ONE

Healers Oath

We hereby acknowledge and embrace the privilege and duty of being healers in this time of global transformation. We are committed to a new standard of integrity and impeccability that is our legacy as practitioners of Good Medicine.

- **I provide medical facilities that are friendly to the patient and to the environment.**
- **I choose green, organic, recycleable, fair-trade, and sustainable whenever possible in my practice of medicine.**
- **I help patients to discover their own innate self-healing potential.**
- **I empower my patients to heal themselves by teaching practical tools for self-care.**
- **I practice medicine in a way that acknowledges the connection between the health of the individual and the health of the village.**
- **I practice Good Medicine in a way that contributes to the health of the greater community and the planet.**
- **I make my services accessible to the community—there is an element of service in my practice of Good Medicine.**
- **I hold the spirit of each patient and their Highest Purpose in profound respect and gratitude throughout the course of treatment.**
- **I acknowledge and honor my own spiritual path as a healer and treat with sincerity from where I am on the path.**
- **I avoid any illusions of separation from my patients and acknowledge that we are all on a healing journey.**
- **I respect and uphold the great responsibility of acting as a facilitator for the healing of the mind, body, spirit and planet.**
- **I call on my colleagues and collaborate to provide the most complete care for my patients.**

I YOU WE ONE

I YOU WE ONE

- I work from a model of cooperative rather than competitive.
- I work toward creating models of integration that foster alliances and open access to new levels of health and wellness.
- I acknowledge that my patients are my teachers just as I am a teacher for them.
